“When planning our Year-end we wanted to add an element of fun, aside from drinking. The Lawn Game activities brought everyone together and seemed to keep everyone entertained, even those who weren’t drinking at all.

*We were pleasantly surprised that you were able to accommodate us with the Limbo stand on such late notice for our Limbo Competition. It was an absolute hit and really got the crowd going. Everybody loved the Jenga, Dominoes, Horse shoe toss and Corn hole toss. The wind was a bit challenging but the games seemed to hold in any case. The only game we weren’t able to make use of was the pick-up sticks on account of the weather.” – **Suhina Sukuram (RMB Private Bank)***
